

## For Patients

### Transportation Services

In order to assist all patients that require prompt rehabilitation service, Emery Physical Therapy offers transportation reimbursement. This includes the elderly, special needs, handicapped individuals, and those without adequate transportation options. At Emery Physical Therapy, we will assist you in making sure you have access to physical therapy and at the location and time of day that is most productive for your recovery. For more information regarding this service, please call Emery Physical Therapy at **(847) 786-2014**.
